Decision Tree Flow Chart 12.1.15

Is the child served under Part C, nearing age 3 and potentially eligible for services under Part B?

Yes. Transition conference is held between 2 y 3 m and 90 days prior to the child's 3rd birthday. Steps taken to transition the child to Part B or other appropriate services must be documented in the IFSP. A representative from LEA is invited to the conference.

No. Document transition steps in the IFSP. The service coordinator makes reasonable effort to convene a conference with parents and providers of appropriate services other than Part B.

Has the child already been determined eligible through an initial Part B evaluation with informed parental consent?

No. Conduct an initial Part B evaluation for eligibility following all applicable Part B standards including informed parental consent.

Services end by age 3 as documented on the IFSP to which parents have given informed consent. (Services end at 3 even without parent consent)

Yes. An IEP is developed and implemented on the child's 3rd birthday. Parents must provide written consent for the initial provision of Part B services.
