

Special Education Teacher

The Benton Stearns Education District 6383 has a full time (1.0) teaching position available for the Voyagers Setting IV program. The program works with a variety of student disabilities for children from 4th grade through age 21. Voyagers offers a team approach with strong peer support.

We are looking for candidates who are skilled in providing high quality academic and behavioral curricula for students with emotional and behavioral issues. Candidates must have a Minnesota teaching license(s). Due to the nature of the program, a licensure in special education (EBD, LD, ASD, or ABS) will be preferred. Other teaching licenses will be considered based on applicants experience and ability to qualify for a variance.

Applicants should have the ability and skills to work with high needs students. This position will be responsible for development of positive behavioral interventions and classroom curriculum, case management and IEP due process. They will be expected to communicate effectively with parents, students, district staff, social workers, probation officers and co-workers.

Starting salary based upon training and experience.

Interested parties should send letter of intent, resume, transcripts, and 3 reference letters by May 20, 2016 to:
