

EVALUATION

When reporting evaluation time the number under Att and Mem is the same, you cannot have an absence in an evaluation.

There is nothing reported under Ind or Direct Minutes because that is SpEd Service Minutes and the child isn't yet in special ed.

Each team member can include hours spent observing, administering tests, scoring, report writing and meeting with the parent.

Up to 2 hours of IEP/IFSP writing may also be included

If you make a "joint" visit everyone claims the time (it is stacked)

Total hours may not exceed 40 – If less than 5 hours (total) are reported, no funds are generated.
